

# My Central Queensland

## Additional actions

Action	What	Why	When
<b>Infrastructure and services: Ensuring regional Queensland emerges more resilient from natural disasters and anticipates future growth to improve productive capacity and sustain long-term growth.</b>			
Refer to the Central Queensland region in the <i>Queensland Infrastructure Plan</i> and the <i>My Central Queensland – Actions for a stronger region</i> document.			
Awoonga Dam	Finalise feasibility study for an offline storage facility to supplement supply from Awoonga Dam pump station.	Increase capacity to meet industry and population demand.	1 – 4 years
<b>People: Promoting regional communities as centres offering residents the full range of opportunities in life through career and education, as well as the amenities that contribute to liveability.</b>			
Calliope ambulance station	Build the replacement ambulance station at Calliope.	Provide facilities to support population growth and community health in the region.	1 – 4 years
Emerald ambulance station	Build the replacement ambulance station at Emerald.	Provide facilities to support population growth and community health in the region.	1 – 4 years
Winton ambulance station	Build the replacement ambulance station at Winton.	Provide facilities to support population growth and community health in the region.	1 – 4 years
Staff housing in the Surat and Bowen Basin	Continue planning for construction or purchase of ambulance staff housing.	Support the retention of staff in areas of population growth and high accommodation demand.	1 – 4 years
<b>Business: Supporting businesses to attract new investment to generate sustained employment opportunities and strengthen the economic base.</b>			
Investment attraction	Complement investment attraction activities with new regional website content that provides investors with information on the areas of industry growth and investment opportunity in Central Queensland.	Diversify and grow the regional economy to improve the resilience and liveability of the region.	Ongoing

Action	What	Why	When
<b>Partnerships: Fostering partnerships at the local, state and national levels to promote coordination and drive local leadership.</b>			
Longreach flood immunity	Partnership between state and local government to improve residential flood immunity.	Improve residential property protection and public safety in times of extreme weather.	1 – 4 years
