

My Darling Downs South West

Additional actions

Action	What	Why	When
Infrastructure and services: Ensuring regional Queensland emerges more resilient from natural disasters and anticipates future growth to improve productive capacity and sustain long-term growth.			
Refer to the Darling Downs South West region section in the <i>Queensland Infrastructure Plan</i> and the <i>My Darling Downs South West – Actions for a stronger region</i> document.			
People: Promoting regional communities as centres offering residents the full range of opportunities in life through career and education, as well as the amenities that contribute to liveability.			
Chinchilla Multi Tenant Centre	Identify suitable land to develop (either within existing stock, land acquisition or leased land) and construct the Chinchilla Multi Tenant Centre.	Improve facilities and services for the local community.	1 – 4 years
Tara ambulance station	Build the replacement ambulance station and relief quarters at Tara.	Provide facilities to support population growth and community health in the region.	1 – 4 years
Clifton fire and rescue station	Build the replacement auxiliary fire and rescue station at Clifton.	Provide facilities to contribute to increased community safety.	1 – 4 years
Surat Basin Resources Trade Infrastructure Project	Develop the Surat Basin Resources Trade Infrastructure Project at Miles State High School.	Provide the facilities to increase skills to supply industry.	1 – 4 years
Roma Urban Development Area	Facilitate the development of the Roma Urban Development Area.	Provide a range of housing that will address pressures arising from rapid growth in the resource sector.	Ongoing
Indigenous participation	Facilitate greater economic participation, employment and training opportunities for Indigenous communities in Darling Downs South West.	Maximise employment opportunities for Indigenous people.	Ongoing
Business: Supporting businesses to attract new investment to generate sustained employment opportunities and strengthen the economic base.			
Supporting regional industry	Support the capacity of regional industries and local businesses to meet the supply chain needs of the growing energy corridor.	Diversify and grow the regional economy to improve the resilience of the region.	Ongoing
