

# My Mackay, Isaac and Whitsunday

## Additional actions

Action	What	Why	When
<b>Infrastructure and services: Ensuring regional Queensland emerges more resilient from natural disasters and anticipates future growth to improve productive capacity and sustain long-term growth.</b>			
Refer to the Mackay, Isaac and Whitsunday region in the Queensland Infrastructure Plan and the Mackay, Isaac and Whitsunday Actions for a stronger region document.			
<b>People: Promoting regional communities as centres offering residents the full range of opportunities in life through career and education, as well as the amenities that contribute to liveability.</b>			
Mackay showgrounds upgrade	Develop and implement an Events Master Plan for an upgrade of buildings and facilities on the showgrounds site.	Provide improved showgrounds buildings and facilities for the region's residents.	1 – 4 years
Indigenous participation	Implement the Queensland Resource Council Memorandum of Understanding to Increase Indigenous Employment and Economic Participation in the Queensland Resources Sector.	Maximise employment opportunities for Indigenous people.	1 – 4 years
South Mackay ambulance station	Build the replacement ambulance station at South Mackay.	Provide facilities to support population growth and community health in the region.	1 – 4 years
Clermont fire and rescue station	Build the replacement auxiliary fire and rescue station at Clermont.	Provide facilities to contribute to increased community safety.	1 – 4 years
Mackay fire and rescue station	Secure the land for and build the Mackay replacement fire and rescue station.	Provide facilities to contribute to increased community safety.	1 – 4 years
Dysart training props and simulation	Develop a Queensland Fire and Rescue Service training facility.	Further support the ongoing training and development of fire fighters in the Bowen Basin.	1 – 4 years
Andergrove and Moranbah Urban Development Areas	Facilitate the development of the Andergrove and Moranbah Urban Development Areas.	Provide a range of housing that will address pressures arising from rapid growth in the resource sector.	Ongoing

Action	What	Why	When
<b>Business: Supporting businesses to attract new investment to generate sustained employment opportunities and strengthen the economic base.</b>			
Rail linkages between Galilee Basin and coal export ports	Facilitate development of a rail corridor that supports industry provision of efficient rail linkages between the Galilee Basin and coal export ports.	Diversify and grow the regional economy.	Ongoing
High speed broadband and the digital economy	Support local business to exploit opportunities presented through access to high speed broadband and help them transition to a borderless digital economy.	Improve the productivity and competitive advantage of local businesses.	Ongoing
Investment attraction	Complement investment attraction activities with new regional website content that provides investors with information on the areas of industry growth and investment opportunity in Mackay, Isaac and Whitsunday.	Diversify and grow the regional economy to improve the resilience and liveability of the region.	Ongoing
